

MOTIONS AND RECOMMENDATIONS

Motions to AGM

In light of spiraling costs of player welfare, I propose on behalf of Clonduff Club that membership should increase as follows:

Adult playing membership from £40 to £50

Adult non-playing/student from £20 to £30

Juvenile membership from £15 to £20

Recommendations to AGM

The current Executive Structure was introduced a few years ago to assist in streamlining the monthly committee meetings. However, as some members feel disconnected from the Executive's operations, I am recommending that we increase the Executive Committee to around 30 members
